
7 pin trailer socket small round plastic trailer truck automotive parts boat trailer connector with male pin

Along with the main functions offered by smaller connectors (brake lights, turn signals, tail lights, electric brakes and reverse lights), the 7-way connectors provide a wire to run auxiliary power. This is especially useful for towing an RV. A variation of the 7-way round connector is the 7-way RV blade connector, made specifically with recreational vehicles in mind. 7-way RV blades can be used with large boat trailers, utility trailers, 5th wheels and gooseneck trailers.

Product information	
Model:	CT7005B
Type:	Plug (Australia Style)
Shape:	round
Production process:	Injection molding
Features:	Waterproof
Contact material:	Copper
Insulator material:	Engineering plastic
Material:	plastic
Number of cores:	7
Number of stitches:	7
Voltage output:	12V
Main function:	Connecting truck and power supply, suitable for trailer signal display
Applications:	Commercial vehicles / trailers / RVs / trucks / trucks / semi-trailers /Car/ship/caravan/yacht, etc.
